I HAVE CAPTURED A JAPANESE GRASS LIZARD* FOR THE FIRST TIME IN YEARS. BUT IT'S NOT A SNAKE, IT'S A LIZARD. I ADMIRED IT FOR A BIT AND THEN RELEASED IT BACK INTO THE WILD. WHICH REMINDS ME, A LONG TIME AGO MY FRIEND AND I KEPT TWO LIZARDS. I REMEMBER THAT WE KEPT AN OBSERVATION DIARY... THEIR NAMES WERE "TOKATOKA" AND "GEE!"**

* ITS JAPANESE NAME IS "KANAHEBI". HEBI MEANS SNAKE.

** THE JAPANESE WORD FOR LIZARD IS "TOKAGE".

TOKIWA KITARERI!! VOLUME 4 OMAKE

Volume 5 is going on sale January 18 2016

About my translation I have come to realize that my English s horrible, and that it takes me way too long to translate anything into English I would rather see this manga in the hands of someone who s a native speaker Is there any group that would be interested in picking Tokiwa Kitareri ! Up once volume 5 is out? The volumes are pretty cheap only 463 Yen (ca 4 USD/ 3 50 EUR) The ebook version usually becomes available about 1 2 months after the print version However the resolution is pretty bad and there are some extras missing that come with the print version

TL DR I ll probably not continue this translation and hope there s someone more competent out there who will

I apologize and hope my work was still somewhat bearable
Thank you for reading ll
